Guidelines for Graduates during the Commencement Ceremony for the Academic Year 2019

On behalf of His Majesty the King, Her Royal Highness Princess Maha Chakri Sirindhorn will graciously preside over the Mae Fah Luang University Commencement Ceremony for the Academic Year 2019 on Monday, 14 February 2022 at C4 Auditorium, Mae Fah Luang University.

To ensure the smooth commencement ceremony and safety of all participating graduates as well as to prevent the spread of the Coronavirus Disease 2019 (COVID-19), Mae Fah Luang University declares the guidelines for graduates in preparation for attending the commencement ceremony as follows:

1. Graduates of the academic year 2019 are required to fill out information via the Commencement Ceremony Registration System from 11 – 31 January 2022.

2. Graduates of the academic year 2019 who intend to attend the commencement ceremony are required to have received at least two doses of COVID-19 vaccines specified by the government or specified doses of other vaccines approved by the Food and Drug Administration 14 days before the registration day in order to be eligible to participate in the commencement ceremony.

3. In case that graduates have not received vaccines as stated in No.2, graduates can request the postponement of the commencement ceremony to the academic year 2021 through the system stated in No.1.

4. Graduates of the academic year 2019, who intend to attend the commencement ceremony and will travel from other provinces, are required to strictly follow the order of the Chiang Rai Communicable Disease Committee on measures for travellers travelling from other provinces to Chiang Rai.

5. Graduates who intend to attend the commencement ceremony are required to undergo the Antigen Test Kit (ATK) testing provided by the University. The details of testing are as follows:

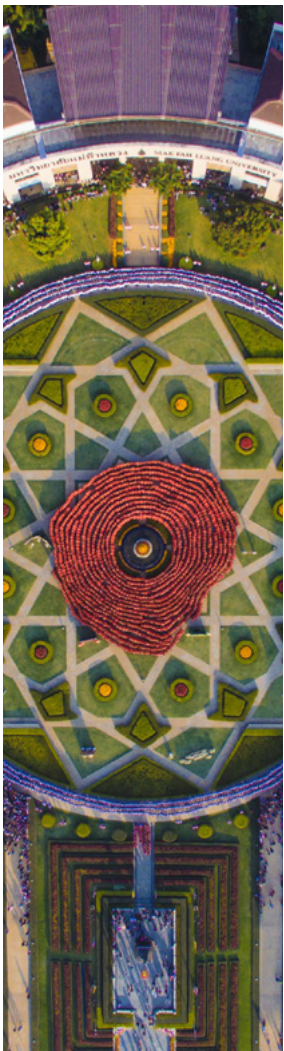

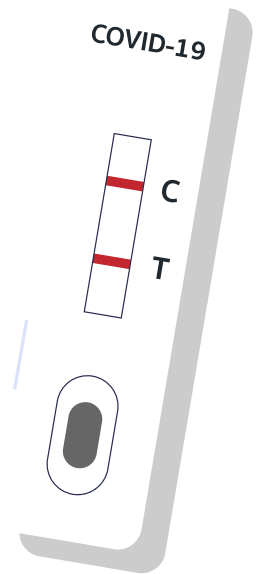

5.1 The first testing: registration day

If the ATK test result is positive, a graduate has to take the RT-PCR test to confirm the results again. If the RT-PCR test result is positive, a graduate shall request the postponement of the commencement ceremony to the academic year 2021. If the RT-PCR test result is negative, a graduate shall register and attend the rehearsal as soon as s/he gets the result.

5.2 The second testing: final rehearsal

If the ATK test result is positive, a graduate shall request the postponement of the commencement ceremony to the academic year 2021.

If a graduate has any suspected symptom or is at high risk of disease or need final decision, the Chairman of commencement ceremony committee shall have the power to decide the issues through the approval from the committee for the Coronavirus Disease 2019 (COVID-19) prevention and the rehearsal committee. The Chair's decision shall be final.

6. Graduates, who intend to attend the commencement ceremony, travelled from abroad and undergone quarantine in the Alternative State Quarantine, are required to present the proof of quarantine to the University on the registration day and take the COVID-19 screening.

7. Graduates who intend to attend the commencement ceremony are required to present themselves to the rehearsal subcommittee and attend all rehearsals according to the date and time scheduled by the University. Graduates are required to strictly follow other rules related to the commencement ceremony which will be announced by the University later.

8. Graduates are required to strictly follow this guideline. Graduates who fail to comply with this guideline are ineligible to participate in the commencement ceremony.
