

International Conference on Tea Production and Tea Products

A Celebration of the 10th Anniversary of Mae Fah Luang University

Tea Institute, Mae Fah Luang University
<http://www.intertea.mfu.ac.th>

November 26-28, 2008

**Mae Fah Luang University
Chiang Rai, Thailand**

Co-organizers:

- Department of Agricultural Extension, Ministry of Agriculture and Cooperatives, Thailand
- Department of Agriculture, Ministry of Agriculture and Cooperatives, Thailand
- Ministry of Science and Technology, Thailand
- Thailand Research Fund
- National Research Council, Thailand
- Agricultural Research Development Agency, Thailand
- Institute of Subtropical Agriculture, Chinese Academy of Sciences, Hunan, China
- Chiang Rai Chamber of Commerce, Thailand
- Office of Commercial Affairs, Chiang Rai, Thailand
- The Federation of Thai Industries, Chiang Rai, Thailand.

At this Conference, tea producers, tea exporters, tea importers, tea processors, and researchers worldwide will discuss the production, supply, demand, marketing, logistics, and safety of tea and tea products, as well as other problems and issues faced by people involved in the tea industry. Industry representatives and scientists from Thailand, GMS countries, China, India, Indonesia, Japan, Malaysia, Sri Lanka, Taiwan, and Vietnam will present keynote papers, country reports, and make research presentations at the Conference.

Call for papers and posters

The organizers welcome research paper contributions from those who are engaged in research on Tea Production and Tea Products or in relevant areas. Interested persons are welcome to attend the Oral and Poster Presentations. Please register and submit your abstract via www.intertea.mfu.ac.th before October 31, 2008.
