VISA

Obtaining a VISA

Once your application to study at MFU has been approved, you will need to obtain a non-immigrant ED visa from the Royal Thai Embassy or Consulate to enter Thailand. This visa will be extended once your study commences. In any case, DO NOT enter Thailand on a tourist or transit visa, as they cannot be extended to cover your period of study.

Required Documents:

1. Visa application form completely filled out.
2. Passport or travel document with validity not less than 6 months.
3. 4 x 6 cm. photograph of the applicant.
4. Letter of acceptance from the concerned academic institute/organisation.
5. Letter from MFU stating that applicants are visiting Thailand for educational purposes.

Note:

1. Officers reserve the rights to request additional documents as deemed necessary.
2. Foreign nationals on a student visa are not eligible to work in Thailand.

Fees and Financial Planning

Studying at a university can be quite expensive, particularly for international students in Thailand, who are not permitted to do part-time work. Fortunately, the cost of living and fees at MFU compare very favourably to other institutions that teach in English, both in Thailand and around the world. The university is its own self-sufficient campus and provides everything that students need, including free across-campus wifi, inexpensive food (breakfast to dinner, 365 days per year), free transport, convenient accommodation, world class sports centres and great entertainment facilities. Everything on campus is guaranteed to be affordable, and students rarely ever need to leave MFU - except for when leaving on trips!

Working out the amount of money required for your studies can cause a lot of confusion - so we have provided a helpful estimate personal expenses below to let you work out the approximate amount of money you will need while studying at MFU.

The amounts provided are average minimum amounts and should not be considered as the exact or final figure. This data is only meant to be a used as guide in helping you make a decision and work out your financial planning.
