MFU Commencement Ceremony

Academic Year 2021

On 7 February 2023, Mae Fah Luang University had the great honour of receiving General Surayud Chulanont, President of the Privy Council, who on behalf of His Majesty King Maha Vajiralongkorn Bodindradebayavarangkun, presided over MFU's commencement ceremony for the Academic Year 2021 at the C4 Princess Mother Auditorium. This commencement marked the graduation of MFU's 20th class of students.

This year, MFU presented an Honorary Doctorate in Social Science to Professor Emeritus Preecha Thaothong in recognition of his outstanding expertise in visual arts (paintings) and his contributions to reflecting Buddhist philosophy through a collection of art works at both national and international level. The University also presented an Honorary Doctorate in Business Administration to Mr. Kalin Sarasin in recognition of his expertise and contributions to the advancement of economy and society.

In the academic year 2021, 2,926 graduates including 2,761 Thai graduates and 165 international graduates were eligible to participate in the commencement ceremony. In total, 1,747 Bachelor's degree, Master's degree and Doctoral degree graduates

from the School of Agro-Industry, the School of Anti-Aging and Regenerative Medicine, the School of Cosmetic Science, the School of Dentistry, the School of Health Science, the School of Information Technology, the School of Integrative Medicine, the School of Law, the School of Liberal Arts, the School of Management, the School of Medicine, the School of Nursing, the School of Sinology, the School of Science, and the School of Social Innovation attended the degree presentation ceremony.

On this occasion, General Surayud Chulanont delivered a royal address, stating that all the hard work graduates had done paid off and they successfully graduated. Next step for graduates is to work and live with other people in the society. After graduation, graduates will receive compliment or complaint depending on their performances and actions. If graduates do good deed, they will be respected and valued for their contribution. On the other hand, if graduates do bad deeds, they will get criticism and bad result to both themselves and others. Therefore, graduates need to carefully consider the positive and negative consequences of actions before they make decision. This will lead to the development and prosperity of graduates, the university, society and the nation.

MFU President Welcomes Participants of Erasmus+ DigiHealth-Asia

On 16 January 2023, Mae Fah Luang University executives led by Assoc. Prof. Dr.Chayaporn Wattanasiri, President of Mae Fah Luang University welcomed participants of the Capacity Building for Digital Health Monitoring and Care Systems in Asia project (DigiHealth-Asia) led by Prof. Dr.Ingrid Moerman and Dr.Adnan Shahid, Erasmus+ Project Coordinator from Ghent University, Belgium at Doi Tung room, Mae Fah Luang University.

Mae Fah Luang University executives included Assoc. Prof. Dr.Nantana Gajaseni, Vice President; Asst. Prof. Dr.Chutammat Niwat, Assistant to the President, Asst. Prof. Do.Teeravisit Laohapensaeng, Dean of the School of Information Technology; Sulukkana Noiprasert, MD., Dean of the School of Integrative Medicine; Ms. Wannapha Thippayasak, Acting Head of the Global Relations Division, and lecturers.

MFU Co-Hosts PACCON 2023

On 20 – 21 January 2023, the School of Science, Mae Fah Luang University in collaboration with the Chemical Society of Thailand organised the Pure and Applied Chemistry International Conference 2023 (PACCON 2023) with the theme of “Chemical Diversity Towards Sustainable Development Goals” at Mae Fah Luang University. Also, this conference was a part of the celebration of the 25th Anniversary of Mae Fah Luang University.

PACCON is an annual conference aiming to provide a great opportunity for chemists to share their research and explore new updates, discoveries, and innovations in the field of chemistry.

Altogether, the conference was a huge success. There were over 1,000 participants who attend the PACCON to exchange ideas and build network in order to work together.

A Study Visit from the School of Nursing & Midwifery, Deakin University, Australia

On 21 – 28 January 2023, the School of Nursing, Mae Fah Luang University and the School of Nursing & Midwifery, Deakin University, Australia held the training programme “Nursing and Health in Thailand: Broadening Perspectives of Australian and Global Health”. This programme aimed to provide an opportunity for Deakin University students to learn Thailand’s nursing education, applied Thai traditional medicine, and health promotion in cross-border areas.

MFU President Welcomes Medical Students from Oregon Health and Science University

On 9 February 2023, Assoc. Prof. Dr.Chayaporn Wattanasiri, President of Mae Fah Luang University welcomed 14 medical students from Oregon Health and Science University (OHSU) led by Dr.Brian Garvey who has participated in the Cross Border Health Programme 2/2023.

During the programme, participants have visited MFU Medical Centre Hospital, Institute of Thai – Chinese Traditional Medicine Hospital, the School of Health Science, the School of Nursing, Chiangrai Provincial Public Health Office, Mae Sai- Chiang Saen border, Tham Luang Khun Nam Nang Non

The Delegates from the French Embassy in Thailand Visit MFU

On 10 February 2023, Assoc. Prof. Dr.Nantana Gajaseni, Vice President of Mae Fah Luang University, executives and researchers welcomed Mr. Xavier Grosmaître, Attaché for Scientific and Higher Education Cooperation and Mr. Benoît Talleu, Project Manager, French Embassy in Thailand at Doi Tung Room, Vanchai Sirichana Building. The purpose of this visit was to provide valuable information regarding the available scholarships offered for students and researchers to further their studies in France.

MFU Hosts the Project Launching: “Citizen Science for Climate Mitigation and Adaptation in the Ing River Basin”

On 2 March 2023, the School of Management, Mae Fah Luang University in collaboration with the Australian Embassy in Bangkok organised the Project Launching: “Citizen Science for Climate Mitigation and Adaptation in the Ing River Basin” at Pradu Daeng 1 Meeting Room, General Sampao Choosri Building (E4), Mae Fah Luang University. The event brought together researchers, government officers and local communities related to the Ing River Basin to share their views and experience.

This project aims to strengthen capacity of riverine communities, local authorities in mitigating risk and vulnerability, build the resilience capacity of key actors and stakeholders through enhancing inclusive and participatory planning to close the gap between policies and science, technical assistance for climate change adaptation to develop practical actions that communities and local authorities can take to reduce their vulnerability to disaster and climate risk and improve access to information, including hydro-meteorological data and early warning.

CAMBODIA

Strengthening Collaboration and Attend Thailand Education and Job Fairs 2023

On 16 – 18 February 2023, delegates from Mae Fah Luang University led by Ms. Wannapha Thippayasak, Acting Head of the Global Relations Division visited Cambodia to further strengthen academic cooperation with partner universities and participate in Thailand Education and Job Fairs 2023.

MFU delegation visited Phnom Penh International University (PPIU), Royal University of Agriculture (RUA), Royal University of Phnom Penh (RUPP) and the University of Cambodia (UC) to meet executives and staff from the international relations office to promote scholarships for MFU exchange programme for Cambodian students and discuss further academic collaboration.

Moreover, MFU representatives visited the Cambodian Higher Education Association (CHEA) to meet the members of board of directors led by H.E. Mr. Heng Vanda, Chairman of CHEA’s Board of Directors and President of Vanda Institute; and H.E. Dr. Ly Chheng, President of CHEA’s Board of Directors and Director General of BELTEI Group. The meeting provided the opportunity for representatives of Thai universities to learn more about Cambodia and its higher education situation as well as to get to know representatives from private high schools and higher education institutions in Cambodia. The delegates also paid a courtesy visit to H.E. Mr. Cherdkiat Atthakor, Ambassador of Thailand to Cambodia at Royal Thai Embassy, Phnom Penh, Cambodia.

In addition, MFU delegates attended the unifair event at CIA FIRST International School as well as the Thailand Education and Job Fairs 2023 at Cambodia – Japan Cooperation Centre (CJCC) building, RUPP to provide international students with an up-to-date information about the university’s study programmes, admission requirements and scholarships which would help them find the right choice for their education in Thailand and future careers as well.

The Thailand Education and Job Fairs 2023 was organised by the Thai Embassy of Cambodia in cooperation with the Thai Tourism Authority (TAT) and the network of Cambodian graduates from Thailand. It aimed to offer a good opportunity for students and the general public in Cambodia to meet representatives from leading companies in Thailand and Cambodia as well as Thai universities and get information about job opportunities and scholarships in Thailand.

The MoU and Exchange Agreement Signing Ceremony between Mae Fah Luang University and I-Shou University, Taiwan

On 2 March 2023, Assoc. Prof. Dr.Chayaporn Wattanasiri, President of Mae Fah Luang University and Prof. Dr.Roger C.Y. Chen, President of I-Shou University, the Republic of China (Taiwan) signed a Memorandum of Understanding (MoU) and an agreement for student exchange between the two universities.

There were guests of honour attending the signing ceremony at I-Shou University including Assoc. Prof. Dr.Wandee Rungseewijitprapa, Dean of the School of Cosmetic Science; Asst. Prof. Dr.Chutamat Niwat, Assistant to the President; Dr.Mayuramas Wilai, Assistant Dean of the School of Cosmetic Science; Prof. Dr.Julia Lin, Senior Vice President & Provost, Department of International Business; Assoc. Prof. Dr.Anna Warangkana Lin, Senior Consultant, Office of International and Cross-Strait Affairs; and ISU executives.

The MoU between Mae Fah Luang University and I-Shou University is expected to enhance quality and academic excellence through exchanging staff and students, conducting research and co-organising international academic activities, etc.

A Visit to Chia Nan University of Pharmacy and Science for Academic Collaboration

On 3 March 2023, Assoc. Prof. Dr.Chayaporn Wattanasiri, President of Mae Fah Luang University Assoc. Prof. Dr.Wandee Rungseewijitprapa, Dean of the School of Cosmetic Science; Asst. Prof. Dr.Chutamat Niwat, Assistant to the President; and Dr.Mayuramas Wilai, Assistant Dean of the School of Cosmetic Science visited Chia Nan University of Pharmacy & Science, Tainan City, the Republic of China (Taiwan).

The purpose of the visit was to discuss possible academic collaboration between Mae Fah Luang University (MFU) and Chia Nan University of Pharmacy & Science (CNU) which builds on the strengths in cosmetic science and beauty technology of the Department of Cosmetic Science, CNU and the School of Cosmetic Science, MFU. The future

cooperation will cover an exchange of student and staff, research and academic activities such as international conference. The Chia Nan University of Pharmacy & Science (CNU) executives include Prof. Dr. Jui-Hsiang Hung, Dean of Academic Affairs Office; Assoc. Prof. Dr. Cecilia I.C. Lin, Dean of Office of International and Cross-Strait Affairs; Prof. Dr. Liang, Jia-Hua, Chief of Department of Cosmetic Science; Assist. Prof. Dr. Yuan-Po Lee, Department of Cosmetic Science; Assoc. Prof. Dr. Wei-Chao Lin, Department of Cosmetic Science. Altogether, the visit to Chia Nan University of Pharmacy & Science (CNU) will lead to initiating a Memorandum of Understanding (MoU) for academic cooperation in order to mobilize resources to enhance ability of the two universities and become the leading universities in Asia.

A Visit from Queen's University, Canada: Strengthening Academic Collaboration

On 10 March 2023, Mae Fah Luang University's executives led by Asst. Prof. Dr.Tawatchai Apidechkul, Dean of the School of Health Science and Asst. Prof. Dr.Panate Manomaivibool, Assistant to the President warmly welcomed the delegates from Queen's University including Dr. Sandra M. den Otter, Vice-Provost for International and Professor, Department of History; and Dr.Zhiyao Zhang, Director of Queen's Asia Liaison Office at Vanchai Sirichana (AD1) building, Mae Fah Luang University.

A Visit from Yunnan Provincial People's Association for Friendship with Foreign Countries

On 13 March 2023, MFU executives led by Asst. Prof. Dr.Chutammat Niwat, Assistant to the President; and Dr.Teeraparp Predeepoch, Dean of the School of Sinology warmly welcomed the delegates from Yunnan Provincial People's Association for Friendship with Foreign Countries led by Madame Wang Yu, Vice President of Yunnan Provincial People's Association for Friendship with Foreign Countries; and Madame Yang Juan, Deputy Director-General of Hong Kong, Macao, Taiwan, Overseas Chinese Affairs and Foreign Affairs Committee of the CPPCC Yunnan Provincial Committee.

Chiang Rai province has signed the sister city agreement with Yunnan province since 2000 with an aim to promote better understanding and closer friendship between the two cities.

A Visit from Participants of Non-Academic Staff Mobility Programme, Institut Teknologi Sepuluh Nopember (ITS)

On 13 – 17 March 2023, four delegates from Institut Teknologi Sepuluh Nopember (ITS), who participated in Non-Academic Staff Mobility Programme, visited Mae Fah Luang University to share best practices, explore possible joint initiatives, and establish long-standing professional relations with Mae Fah Luang University staff members.

A Visit from Kyorin University, Japan

On 20 March 2023, Professor Malcolm from Global Career Programme, Faculty of Social Sciences, Kyorin University, Japan visited the Global Relations Division to meet and discuss collaboration with Ms. Wannapha Thippayasak, Acting Head of Global Relations Division and Mr. Sivativ Pankaew, Administrative Officer (International Collaboration).

Mae Fah Luang University and Kyorin University have signed the Memorandum of Understanding (MoU) since 2021. Under the agreement, MFU welcomed an exchange student and a visiting scholar from Kyorin University.

School of Social Innovation Visits Indonesia and Brunei Darussalam for Strengthening Cooperation with Partner Universities

On 14 - 21 March 2023, Mae Fah Luang University executives and delegates from the School of Social Innovation visited the Research Center for Population, Institute of Social Sciences and Humanities, National Research and Innovation Agency (BRIN), Indonesia to meet Prof. Dr.Ahmad Najib Burhani, Chairman of Institute of Social Sciences and Humanities and Dr. Nawawi, Head of Research Center for Population. The representatives of the two institutions discussed future collaboration.

MFU Executives Attend the Asia-Pacific Association for International Education (APAIE) Conference and Exhibition 2023

On 13 – 17 March 2023, Assoc. Prof. Dr.Chayaporn Wattanasiri, President of Mae Fah Luang University; Assoc. Prof. Dr.Nantana Gajaseni, Vice President of Mae Fah Luang University and staff members of the Global Relations Division attended the Asia-Pacific Association for International Education (APAIE) Conference and Exhibition 2023 at Queen Sirikit National Convention Center, Bangkok. The Conference and Exhibition brought together more than 350 booths and 2500 participants from 55 countries to network, improve professional skills and learn about international education practices and trends of the Asia-Pacific region.

APAIE 2023 was hosted by Mahidol University in collaboration with Ministry of Higher Education, Science, Research and Innovation, Chiang Mai University, Chulalongkorn University, Kasetsart University, King Mongkut's University of Technology Thonburi, King Mongkut's Institute of Technology Ladkrabang, Prince of Songkla University and Thammasat University.

A Visit from JUNIA, France

On 22 March 2023, the delegates from JUNIA (French graduate school of science and engineering), France including Mr. Simon Calafiore, Associate Dean for the International Undergraduate Program in IT and Mechanical Engineering and Ms. Thanh Ly Lê Minh, International Relations Coordinator for Asia visited Mae Fah Luang University. The purpose of this visit was to discuss further collaboration with Asst. Prof. Dr. Teeravisit Laohapensaeng, Dean of the School of Information Technology, Assoc. Prof. Dr. Saroat Rawdkuen, Dean of the School of Agro-Industry and academic staff of the School of Information Technology and the School of Agro-Industry.

MoU Signing Ceremony between Mae Fah Luang University and Benguet State University, Philippines

On 23 March 2023, Assoc. Prof. Dr. Chayaporn Wattanasiri, President of Mae Fah Luang University; and Dr. Ruth C. Diego, Director of Agri-based Technology Business Incubator/Innovation Center (AATBI), Benguet State University, the Philippines signed the Memorandum of Understanding (MoU) between Mae Fah Luang University and Benguet State University at Chiang Saen Meeting Room, Vanchai Sirichana Building, Mae Fah Luang University.

Benguet State University (BSU) is the coordinator of Agri-Aqua Technology Business Incubator (AATBI) network which consists of 22 universities in the Philippines. This agreement was a part of collaboration between AATBI and Northern Science Park (consisting of MFU Science Park, Innovation and Technology Transfer Institute of University of Phayao, and Maejo Agro Food Park).

The MOU Signing Ceremony between MFU and Hong Kong Polytechnic University

On 5 April 2023, Assoc. Prof. Dr. Chayaporn Wattanasiri, President of Mae Fah Luang University and Prof. Dr. Kaye Chon, Dean and Chair Professor from Walter & Wendy Kwok Family Foundation Professor in International Hospitality Management, the School of Hotel and Tourism Management, Hong Kong Polytechnic University signed the MoUs for student exchange and internship exchange, plus agreement to proceed to pursue a dual degree upon fine details to be completed between the School of Management, Mae Fah Luang University (MFU) and the School of Hotel and Tourism Management, Hong Kong Polytechnic University (PolyU) at Kham Mok Luang room, Mae Fah Luang University.

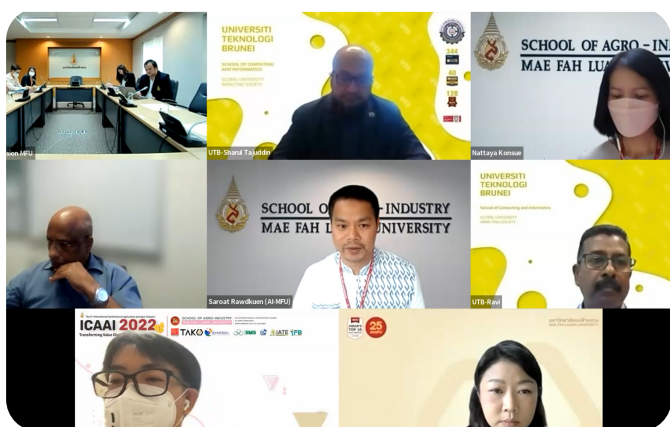

School of Medicine Visits Japan for Developing and Strengthening Academic Cooperation

On 5 – 11 April 2023, Mae Fah Luang University executives and delegates from the School of Medicine visited universities in Japan for developing and strengthening academic cooperation.

The purpose of this visit was to discuss future collaboration in medical education and research between the Graduate School of Medicine and Faculty of Medicine, Kyoto University and the School of Medicine, Mae Fah Luang University. In addition, there was a signing ceremony of Agreement on Academic Exchange between Kumamoto Kenhoku Hospital and Mae Fah Luang University

Online Meeting with Universiti Teknologi Brunei (UTB) for Future Collaboration

On 20 April 2023, Mae Fah Luang University's delegates had an online meeting with delegates from Universiti Teknologi Brunei (UTB). Mae Fah Luang University and Universiti Teknologi Brunei have good relations as the member universities of AIMS and UMAP programmes. Therefore, the meeting aimed to discuss possible academic cooperation between Mae Fah Luang University and Universiti Teknologi Brunei. During the discussion, two universities are planning to initiate an exchange of Food Science students, the visiting scholar programme in Human Nutrition, and research collaboration.

A Visit from Central Bicol State University of Agriculture (CBSUA), the Philippines

On 21 April 2023, the delegates from Central Bicol State University of Agriculture (CBSUA), the Philippines visited Mae Fah Luang University (MFU) to discuss further collaboration with the School of Agro-Industry.

MFU and CBSUA have good relations as the member universities of the Asian International Mobility for Students (AIMS) programme in the Food Science and Technology Discipline. During the discussion, representatives of CBSUA proposed to develop collaboration with the School of Agro-Industry through a MoU and a MoA to encourage the exchange of students and academic staff as well as research collaboration between Mae Fah Luang University and CBSUA.

INTERNATIONALISATION AND STUDENTS ACTIVITIES

New International Student Orientation 2/2022

On 25 January 2023, the Global Relations Division (GRD) held the New International Student Orientation at E4 Building in order to help new students smoothly adjust to new learning and living environment.

In this second semester of academic year 2022, MFU has welcomed 136 new students and 19 exchange students from many countries such as Austria, China, Czech Republic, Egypt, Finland, France, Germany, Malaysia, Myanmar, Philippines, South Korea, Turkey and the USA.

The orientation event provided new international students with a campus tour and important information about MFU's services including registration system, immigration rules and regulations, MFU 333 course, health insurance, internship programme, library, exchange programme, and scholarships through the presentations from relevant divisions and the seniors. Furthermore, there were games and mini concert for students to enjoy and make new friends.

Chiang Rai Discovery: Exploring Chiang Rai's History While Making New Friends

On 29 January 2023, over 80 new international bachelor's, master's and doctoral degree students joined an exciting trip to local attractions in the Chiang Rai province such as Chui Fong Tea Plantation, Doi Tung Development Project, Tham Luang cave, and Mae Fah Luang Art and Cultural Park to learn more about Northern Thailand's way of life and culture as well as get to know friends from different Schools.

The trip was held by the Global Relations Division to help international students understand more about Chiang Rai province's historical, economic, social and cultural aspects. In addition, there were Thai and international volunteering tour guides from the International Students Club and a buddy programme who provided informative insights for new international students.

Mind Management Workshop for International Students

On 25 March 2023, the Global Relations Division held the workshop on "Mind Management" at Kham Mok Luang Room, M-Square building, Mae Fah Luang University. There were 60 international students from Bhutan, Boswana, China, India, Korea, Mauritius, Myanmar, Nepal and Sri Lanka participating in this workshop.

During the workshop, international students had an opportunity to learn how to understand their mind and emotion, how to measure stress levels and manage stress, explore sources of happiness and tips to engage with different personalities from Dr.Saharut Jetmanorom, a Counseling Psychologist and his assistant Ms. Somjintana Premprach.

International Students Join Thai Cultural Activity

On 25 March 2023, international students joined the 'Thai culture conservation activity' held by the School of Sinology at Lab Baan Suan restaurant. This activity aimed to provide an opportunity for Chinese lecturers, international students as well as Thai students from different regions in Thailand to learn northern culture. There were over 35 participants joining the activity onsite and participants joining online through live streaming platform.

During the activity, participants learn how to cook and taste Nam ngiao or Northern Thai Rice Noodles with Spicy Pork Sauce. All in all, participants had a chance to discover a culinary journey through the delicious food and culture of northern Thailand with friends.

MFU Students Join the OCA Northern Thai Visit Project with Students from Chulalongkorn University and Keio University

On 27 – 29 March 2023, MFU students and lecturer joined the OCA Northern Thai Visit Project held by MRA Foundation Off Campus International Exchange (OCA), Japan at Mae Fah Luang University and Chiang Rai province.

The project brought together 34 students and lecturers of economics programmes from three universities: Chulalongkorn University (Thailand), Mae Fah Luang University (Thailand), and Keio University (Japan). During the project, participants visited facilities of Mae Fah Luang University and tourist attractions in Chiang Rai province to learn and explore more about culture and way of life of people in Northern Thailand. Furthermore, participants had a chance to engage in volunteer work at Mae Kok Foundation. They worked together to arrange recreational activities for kids as well as build and paint flood retaining walls.

The OCA (Off Campus Activities) is a division of MRA (Moral Re-Armament) Foundation which has developed exchange programmes between universities in Thailand and Japan. It aims to broaden the horizons of young people in Thailand and Japan, and continue to develop programmes that can contribute to society. Mae Fah Luang University and MRA Foundation have arranged several cultural activities together and signed the Memorandum of Agreement in 2022.

Tea and Coffee Training for International Students

On 21 – 22 April 2023, the Global Relations Division and the Tea and Coffee Institute co-organised the Tea and Coffee Training programme for 12 exchange students and researchers at Wang Put Tan Plantation and Phayaprai village, Chiang Rai province.

Chiang Rai province is famous as the tea and coffee production area. This training programme aimed to provide an opportunity for international students to know the Tea and Coffee Institute's vital role in developing Chiang Rai's tea and coffee sector and supporting local communities while getting hand-on experience and knowledge through various interesting workshops such as coffee tasting & brewing, tea soap and tea blending. Throughout the programme, international students not only discovered Northern Thai people's ways of life and culture but also built positive relationships with friends.

Handmade Lanna Paper Umbrella Workshop

On 26 April 2023, the Global Relations Division and the Mekong Basin Civilization Museum jointly held 'Handmade Lanna Paper Umbrella Workshop' for 12 students from Cambodia, China, Myanmar, Nepal, Sri Lanka and Thailand at the Mekong Basin Civilization Museum.

In the paper umbrella workshop, international students learned how to do paper umbrellas. Paper umbrellas are a Lanna cultural heritage and they are usually hanging around Thai temple for decoration in any festival at night and day. Moreover, there was a museum tour for students to learn more about history and culture of the countries of the Greater Mekong Subregion (GMS).
