SCHOOL OF SOCIAL INNOVATION
MAE FAH LUANG UNIVERSITY

About School of Social Innovation

The School of Social Innovation (MFU Soc-In) was established on May 21, 2014 as Mae Fah Luang University's 13th school. It aims to create innovative knowledge regarding international development in Thailand and the Greater Mekong Sub-region through transboundary and multidiscipline-oriented approaches. The study program consists of theories and practical instruments to enable students to catch up with rapid social changes and create a livable society.

Vision

MFU Soc-In provides an excellent academic environment to create and enhance innovative knowledge and practical skills through transboundary and multidiscipline-oriented study. It emphasizes the creation of new concepts and practical instruments for effective international development based on participatory approaches in a sustainable manner, which will lead to a peaceful society.

Mission

MFU Soc-In aims to produce graduates who are well-aware of social changes and well-equipped with new concepts and tools to deal with the new dynamic environment and for creating and strengthening a peaceful society.

The School of Social Innovation offers you
