PETER ZUREK  
"Painting in camera"

1989 as seen by Photographers

## PETER ZUREK "Painting in camera"

Exhibition of Peter Zurek presents 16 colour single-shot pictures of Prague. There are only pure photographs created by camera and imagination.

## 1989 as seen by Photographers

Pictures showing so called Velvet Revolution which was the non-violent revolution in Czechoslovakia taking down the authoritarian government. Pictures were taken by photographers who participated in revolution which means that the pictures present autoptic evidence of the event.
