

Mae Fah Luang University

An ideal University for you to live and learn

The years 2006 and 2007 mark the delightful celebrations by all Thai people of the scientific progress, national solidarity, improved living standards, and educational development, all of which had always been Her Royal Highness Princess Mother's deepest concern even until her last moment. This is the memorandum of Thais. Mae Fah Luang University (MFU) is a leading university committed to providing ready access to affordable higher education, especially in the Greater Mekong Sub-region (GMS). It offers quality education and excellent student support services. The philosophy of Mae Fah Luang University is embodied in the determination of the Late Princess Mother to nurture the environment and develop human resources in Northern Thailand and GMS. Mae Fah Luang University is the only autonomous public university in Thailand using English as the medium of instruction and offers 1 diploma degree program, 24 bachelor's degree programs, 16 master's degree programs and 7 doctoral programs.

After only eight years of operation, Mae Fah Luang University is already well-known for the quality of its teaching, research, and academic services. Located in a spectacular setting of mountains and trees, the campus now consists of a large complex of state-of-the-art buildings spanning more than 800 hectares of a clean, inviting environment beautiful surrounding, conducive to teaching and learning.

The university provides a variety of English language courses and support services, in order to provide both a quality education and to help students adapt to university life. Other Resource Centers and facilities include the Sirindhorn Chinese Language and Culture Center, the French Upper Mekong Sub-region Academic Cooperation Center, and Mae Fah Luang University Business Incubator. The campus includes modern dormitories equipped with basic facilities and internet access, a post office, banks and ATMs, a book center, a health service center, and a modern gymnasium and sports field with track facilities.
