International Symposium 2024

The 3rd International Congress on Cocoa Coffee and Tea Asia

“Sustainability and Well-being”

July 3 - 5, 2024

Mae Fah Luang University, Chiang Rai, Thailand

About TCIS 2024

We kindly invite you to attend the the 2nd **Tea and Coffee International Symposium 2024 (TCIS2024)** and the 3rd International Congress on Cocoa Coffee and Tea Asia. The conference is organized by Mae Fah Luang University and co-organized by Anhui Agricultural University of China. It will be held during July 3-5, 2024 in Chiang Rai, Thailand. This event as part of the celebrations of MFU's 25th anniversary and celebrations of Tea Institute's 20th anniversary. The theme this year is “Sustainability and Well-being”. We hope this event will be a forum for experts, researchers, students and entrepreneurs from all over the world to discuss the global trend, processing and latest innovation, climate change and sustainability, as well as market and tourism.

This symposium will provide opportunity to share and update tea coffee and cocoa situation with experts around the world. Furthermore, it can be used as a platform for seeking and strengthening networks.

We encourage all participants to take this opportunity to strengthen their knowledge in the tea coffee and cocoa, share their ideas and collaborate with other researchers from around the world in this event.
